

Profile Summary

Full-stack developer specializing in modern web technologies and scalable application architecture. Strong background in competitive programming with multiple university awards. Expertise in building real-time applications and integrating AI solutions for enhanced user experiences.

Professional Skill

- Python
- Node.js
- Arduino
- React.js
- Flutter

Relevant Skill

- Mobile Dev
- Desktop App Dev
- Web Dev
- IoT Solutions

Education

Engineering Degree in Computer Science 2022 – 2027
ESPRIT University - Tunisia

Work Experience

Founder & Lead Developer • Tache-Lik – Tunisia 2024 - Present

- Founded educational platform serving 100+ students with personalized learning paths
- Developed full-stack solution using React.js, Node.js, and MySQL, reducing load times by 40%
- Integrated AI chatbot assistance, reducing support queries by 35%

CTI Platform Intern • Adactim – Tunisia Jul 2025 – Aug 2025

- Designed a CTI platform using MITRE ATT&CK and STIX standards to automate threat detection.
- Developed an AI-driven data pipeline for automated security incident analysis.

Flutter Developer • Freelance – Remote Dec 2024

- Developed the front-end of a responsive Flutter application with modern UI/UX design within a 10-day timeline.

Technical Intern • Tunisie Telecom – Tunisia Jun 2023 – Jul 2023

- Gained hands-on experience in telecommunications infrastructure and network solutions

Projects

Tache-Lik Sep 2024 – Present

- Developed Tache-Lik, a real-time e-learning platform with video tutorials, live chat, project support, and multilingual features for ESPRIT students.

eco.net • Associated with ESPRIT Feb 2025 – Jun 2025

- Ecological platform with Symfony web and JavaFX desktop applications featuring AI chatbot, Real-time Messaging and face recognition authentication.

HireUp • Associated with ESPRIT Feb 2024 – Jun 2024

- AI-powered recruitment platform with machine learning job matching, voice navigation, and real-time messaging.

Certifications

Certificate of bal CDIO 2024

Jun 2024

- Received a Certificate of Participation for presenting HireUp, a recruitment and employment website, at the Bal CDIO 2024.

Attestation de Participation Bal des Projets 2023

Jul 2023

- Received an Attestation de Participation for presenting The World Within, a 2D game showcasing cultural diversity, at the Bal des Projets 2023.

Second Place for Best Video Game Design and Development 2023

May 2023

- The World Within project earned Second Place for Best Video Game Design and Development 2023 at ESPRIT University's Game Design & Development Day.

Languages

- **English: B2**
- **Arabic: Native Proficiency**
